Dear Mr Wight,

I wanted to take this opportunity to thank you personally for supporting the Cayman Islands National Recovery Fund with your outstanding contribution after Hurricane Paloma.

Thus far, the National Recovery Fund has received 197 applications from Cayman Brac residents whose homes have been damaged or destroyed by Paloma. To date, we have contracted 37 of these applications and we are working diligently to get work started on those remaining.

It is generous contributions like yours that enable us to continue repairing and rebuilding the homes of those most in need. I cannot thank you enough for supporting us and helping the people of Cayman Brac return to their homes.

Wishing you and your family all the very best.

Yours sincerely,

Stuart Jack CVO

National Recovery Fund and  
Governor of the Cayman Islands
